Auditing of Accounts.

* 940. [41] SHRI V. V. SEBASTIAN: Will the Chief Minister be pleased to state:

(a) have the Government or the Education Department caused the auditing of accounts of any private Secondary School in the State with a view to ascertaining the proportion of expenditure incurred by such private agencies in the conduct of the schools under their management;

(b) if so, what is the proportionate expenditure borne by the State and the managements respectively for educating one pupil in each of the classes in such school or schools; and

(c) what is the average expenditure per pupil borne by Government for the Secondary Education of students

(i) in Government Schools, and

(ii) in private schools?

Chief Minister (SHRI PANAMPILLI GOVINDA MENON):

(a) The main aim of the audit conducted by the Education Department in acceded schools is to judge how far the original records and registers relating to the 80% of fee collections deposited is Public Account or Treasury, and expenditure under salaries etc. and from 20% of fee collections have been correctly maintained, and to assess whether any amounts are yet due to be deposited in the Public Account or Treasury, whether there have been over payments to be refunded, and whether there are any liabilities on account of salaries. No school has been audited with a view to ascertaining the share of expenditure borne by private agencies for the conduct of the schools under their management.

(b) In the light of the answer to (a) above, these details have not been worked out.

(c) The per capita expenditure of Government for the Secondary Education of students in 1953-54 is as follows:—

(i)	in Govt. Schools —	Rs. 53. 2
(ii)	in private „ —	Rs. 28. 7
